

# INTRODUCING

# AARON PROFESSIONALS

Since 1988 Aaron Resources has been providing temporary and permanent staffing solutions to the largest employers in the Lehigh Valley area and beyond. Recently, we have seen an increased demand for motivated individuals seeking long term and direct hire positions. To fill this need, we are excited to announce the rollout of our newest division, Aaron Professionals. Our goal is to assist the most discerning companies in their search for qualified candidates to fill key positions in their organization.

We have a vast pool of qualified candidates for all levels of management and supervisory staff, administrative staff, and medical office professionals. Aaron Professionals recruits and refers only the top, talented candidates in each field who have demonstrated a steady work history, integrity, and a passion for the work they do. A standout candidate goes through a rigorous application process, testing, and interview process in order to gain status as an "Aaron Certified Professional"

***For those that prefer to work with the best, AARON Professionals can assist you!
